Event Name: Quantum Quest

Event Venue: I32

Event Flow:-

ROUND 1: Tech Insight Challenge

This round focuses on assessing participants' technical knowledge through a variety of questions. It includes Multiple-choice questions on technical subjects and programming languages.

Shortlisted teams will appear for round 2.

ROUND 2: Rapid Fire

Participants will be presented with a series of questions, with a strict time limit for answering.Points are awarded for correct answers

The top 5 teams will move on to the final round.

ROUND 3: Final Round: Bidding Blitz

Teams will be presented with technical questions and technology timelines, each assigned a point value based on difficulty. Before seeing the answer, participants place bids using their available points. After bidding, the answer is revealed. Correct responses earn the points wagered, while incorrect ones result in a loss of those points. Strategic bidding is key!

Rules:

- Before each question in *Bidding Blitz*, teams must place their bid (a portion of their accumulated points) based on how confident they feel.
- If the answer is correct, teams will earn points equal to their bid. If incorrect, the bid amount will be deducted.
- Minimum and maximum bid limits will be set for each question.
